USEFUL HEADBANDS & HAIR ACCESSORIES

COOL WRAP
MS130

Constructed from muslin, filled with cooling crystals, this item will keep you cool when working out, running that marathon, or taking a hike. The sewn-in cooling crystals swell when wet and cool you down fast. The wrap is completely reusable, just wet it down and you are good for a cooling rush.

- Poly-cotton muslin filled with cooling crystals - *Soak First!*
- Absorbent wrap can be used as a headband or wrapped around the neck for evaporative cooling
- Ends tie in back
- Swells when wet
- Sewn-in cooling crystals are reusable
