

Machine-washable, silicone-coated fabric is **easy to clean**.

Attractive matching or contrasting binding help give your design a cohesive look. The **7"x7"** size make these work nicely as counter hot pads; protect your counter from hot and freezing items.

Choose from a **bold screen print** or a colorful dye **sublimated image** for the top of your Pot Holder to give it a "Wow" factor. The un-quilted polycotton twill top makes sure your logo is unbroken and flawless.
